

## 2<sup>nd</sup> grade supplies 2024-25

Your child will bring the following supplies with them each week. Please prepare your student's supplies in a bag (gallon size Ziploc or any school supply box/bag), *with ALL items labeled.*

2 Sharpened pencils

2 glue sticks

Washable markers

Scissors

Pocket folder

Supplies I will keep throughout the year (*please label ALL items*):

Primary journal composition book

Watercolor set

Wish list items:

Colored card stock

Playdough (Homemade dough is welcomed too!)

Paint brushes of various sizes

Dri-erase markers

Small plates 6-8 inch

Bathroom cups 5oz

Ticket store items (small toys, puzzles, games, hard candy, craft supplies, etc.)

Stickers (a variety: jewels, stars, etc.)

This will be my fourth year teaching the second grade, and I am so excited for the adventure we will have together! We will use Science and Social Studies units as a "backbone" to our days: studying insects, birds, geography, math fun, our great 50 states, and a little US history, etc. We will also use a wide variety of activities to aid us in learning: creating art, PE games/activities, journaling, and more. 2nd grade will provide a lot of opportunities to work in groups and to dive into hands-on learning. We will do Show & Tell every month to get to know each other better and practice

our public speaking and listening skills. My 2nd grade friends love earning tickets (for things like positive behavior, following directions, etc.) and going "shopping" at the ticket store once a month. I love to read to my class, so we will spend time reading aloud each week with some fantastic books. Best of all, we will learn many important life and classroom skills and form sweet friendships just by being together in class. I'm excited to teach (and learn from) your children this year.
